2. Introduction

2.6 The Client named in the **Data Sheet** intends to select an Agency, in accordance with the method of selection specified in the **Data Sheet**.

2.7 The Agencies are invited to submit a Technical Proposal and a Financial Proposal, as specified in the **Data Sheet**, for consulting services required for the assignment named in the **Data Sheet**. The Proposal will be the basis for negotiating and ultimately signing the Contract with the selected Agency.

2.8 The Agency should familiarize themselves with the local conditions and take them into account in preparing their Proposals, including attending a pre-proposal conference if one is specified in the **Data Sheet**. Attending any such pre-proposal conference is optional and is at the Agency’s expense.

2.9 The Client will timely provide, at no cost to the Agency, the inputs, relevant project data, and reports, *limited to*

the bid document (“RFP”), required for the preparation of the Agency’s Proposal as specified in the **Data Sheet**.

2.5 A Committee constituted by the OSDA shall carry out a detailed evaluation of the RFPs received by it to determine whether they are substantially responsive to the requirements set forth in the RFP. To reach such a determination, the committee shall adopt QCBS method for evaluation and examine the information supplied by the applicants as well as evaluate the same as per the eligibility criteria specified in this RFP. The Committee will also evaluate the Financial Proposal for the Project submitted by the bidder. For the overall evaluation combine score of technical and financial evaluation shall be taken into the consideration in the ratio of 80:20 (weightage).

2.10 The evaluation process will have technical evaluation and financial evaluation provided the bidder qualifies in the technical evaluation.

2.11 The Committee members will assess the original copies of all documents (signed and stamped) as in the original soft copy of the proposal as submitted through email and presentations of the applicant on specific parameters related to their capacity to deliver.

2.12 Sanction of contract/empanelment will be done by the committee after assessing documents submitted and presentation

2.13 Inability to submit requisite supporting documents/ documentary evidence, may lead to rejection.

2.14 The Committee may ask to seek clarifications on their RFPs from the applicants.

2.15 The Committee reserves the right to reject any or all proposals based on any deviations. Empanelment of applicant will be done solely at the discretion of the Committee.

2.16 OSDA reserves the rights to empanel one or more OEM’s/ OEM partners for this initiative based on committees’ recommendation.

- 2.17 The Committee/OSDA reserves the right to decide on the number of agencies to be empanelled and/or courses for which agencies may be empanelled, and the number of colleges allocated at its sole discretion.
- 2.18 OSDA reserves the right to accept or reject any RFP, and to annul the evaluation process and reject all proposals at any time prior to sanction of contract, without thereby incurring any liability to the affected proposal or applicants.
- 2.19 The Committee reserves rights to decide on the OEM/OEM partner even if only one bid has been received for a particular OEM ERP provided all the bidding criteria are met and the agency qualifies the technical evaluation
- 2.20 In case only one OEM/ OEM partner may apply for a particular OEM ERP then the reorganizing of Bid may not be required if decided by the committee provided overall more than 3 OEM/Partners participate in the selection process
- 2.21 Each of the responses shall be evaluated as per the criteria and requirements specified in this document at **Technical Proposal Evaluation Criteria** section of this document
- 2.22 The qualifying score in the evaluation is 75 out of the total score of 100.
- 2.23 If adequate nos. of firms do not qualify, then, OSDA, Bhubaneswar may reduce the qualifying score, however, it shall not be less than 60. Financial Proposal will be opened for the applicants those qualified in the technical evaluation only. OSDA may seek the technically qualified bidders for power-point presentation on the proposal submitted.
- 2.24 It is intimated that while OSDA will be supporting in bringing the best price deal for the program, however the individual institute or a group of institutes will have to bear the cost towards training fees and ToT fees if any with the selected training partner.

2.25 It may be considered to collect some token (if possible refundable) fee has to be collected from the students to bring in more seriousness for the program

2.26 The Placement Cell of the institutes will be involved to have better proliferation of the programs and increase the adoption level

2.27 Regular Review meetings preferably monthly will be held to review the progress of the program.

2.28 A defined training calendar for the program common across universities to be followed in consultation with Training Partner, institute, universities. Department will also advise the institutes and universities to go for a common exam calendar to facilitate such kind of programs.

2.29 A Portal www.digital.skillodisha.gov.in has been launched which will be used by all training partners, institutes and their students to participate in Digital Skilling Program in future. Only training partners & their programs and institutes & their students who are registered in the site and approved will be allowed for the program. The faculties involved for ToT program will also be registered in the portal

2.30

2.31 No correspondence shall be entertained outside the process of negotiation/ discussion with the Committee.

3. Conflict of Interest

3.1 The Agency is required to provide professional, objective, and impartial advice, always holding the Client's interest's paramount, strictly avoiding conflicts with other assignments or its own corporate interests and acting without any consideration for future work.

3.2 The Agency has an obligation to disclose to the Client any situation of actual or potential conflict that impacts its capacity to serve the best interest of its client. Failure to disclose such situations may lead to the disqualification of the Agency or the termination of its Contract.

4. Unfair Competitive Advantage

4.1 Fairness and transparency in the selection process require that the Agency or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to the assignment in question.

To that end, the Client shall indicate in the Data Sheet and make available to all the shortlisted Agency together with this RFP all information that would in that respect give such Agency any unfair competitive advantage over competing Agency.

5. Corrupt and Fraudulent Practices

5.1 The OSDA requires compliance with its policy in regard to corrupt and fraudulent/ prohibited practices as set forth by the Govt. of Odisha (GoO)

5.2 In further pursuance of this policy, Agency shall permit and shall cause its agents, Experts, Agency, sub-contractors, services providers, or suppliers to permit the client to inspect all accounts, records, and other documents relating to the submission of the Proposal and contract performance (in case of an award), and to have them audited by auditors appointed by the client.

6. Eligibility

6.1 It is the Agency's responsibility to ensure that its Experts, service providers, and/or their employees meet the eligibility requirements as established in the TOR

7. Qualification to the Bid

Bids may only be submitted as a Sole Bidder who will be responsible for end-to-end scope of work given in this tender. No consortiums will be allowed for this bid. Either OEM directly or its partner can apply for the bid

B. Preparation of Proposals

8. General Considerations

8.1 In preparing the Proposal, the Agency is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.

9. Cost of Preparation of Proposal

9.1 The Agency shall bear all costs associated with the preparation and submission of its Proposal, and the Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. The Client is not bound to accept any proposal and reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Agency.

10. Language

10.1 The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Agency and the Client, shall be written in the language(s) specified in the Data Sheet.

**11. Documents
Comprising the
Proposal**

11.1 The Proposal shall comprise the documents and forms listed in the Data Sheet.

11.2 If specified in the Data Sheet, the Agency shall include a statement of an undertaking of the Agency to observe, in competing for and executing a contract, the Client country's laws against fraud and corruption (including bribery).

11.3 The Agency shall furnish information on commissions, gratuities, and fees, if any, paid or to be paid to agents or any other party relating to this Proposal and, if awarded, Contract execution, as requested in the Financial Proposal submission form (Section 4).

**12. Only One
Proposal**

12.1 The Agency shall submit only one Proposal, in its own name. If the Agency submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This precludes consultant, or the Agency's staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify and if stated in the Data Sheet.

**13. Proposal
Validity**

13.1 The Data Sheet indicates the period during which the Agency's Proposal must remain valid after the Proposal submission deadline.

13.2 During this period, the Agency shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates and the total price.

13.3 If it is established that any Key Expert nominated in the Agency's Proposal was not available at the time of Proposal submission or was included in the Proposal without his/her confirmation, such Proposal shall be disqualified and rejected for further evaluation.

**a. Extension of
Validity Period**

13.4 The Client will make its best effort to complete the negotiations within the proposal's validity period. However, should the need arise, the Client may request, in writing, all Agency who submitted Proposals prior to the submission deadline to extend the Proposals' validity.

13.5 If the Agency agrees to extend the validity of its Proposal, it shall be done without any change in the original Proposal and with the confirmation of the availability of the Key Experts.

13.6 The Agency has the right to refuse to extend the validity of its Proposal in which case such Proposal will not be further evaluated.

b. Substitution of Key Experts at Validity Extension

13.7 If any of the Key Experts become unavailable for the extended validity period, the Agency shall provide a written adequate justification and evidence satisfactory to the Client together with the substitution request. In such case, a replacement Key Expert shall have equal or better qualifications and experience than those of the originally proposed Key Expert. The technical evaluation score, however, will remain to be based on the evaluation of the CV of the original Key Expert.

13.8 If the Agency fails to provide a replacement of Key Expert with equal or better qualifications, or if the provided reasons for the replacement or justification are unacceptable to the Client, such Proposal will be rejected.

c. Sub-Contracting

13.9 The Consultant shall not subcontract the whole of the services unless otherwise indicated in the Data Sheet.

14. Clarification and Amendment of RFP

14.1 The Agency may request a clarification of any part of the RFP during the period indicated in the Data Sheet not less than 10 days prior to the Proposals' submission deadline. Any request for clarification must be sent in writing, or by standard electronic means, to the Client's address indicated in the Data Sheet. The Client will respond in writing, or by standard electronic means, (including an explanation of the query but without identifying its source). Should the Client deem it necessary to amend the RFP as a result of a clarification, it shall do so following the procedure described below:

14.1.1 At any time before the proposal submission deadline, the Client may amend the RFP by issuing an amendment in writing or by standard electronic means.

14.1.2 If the amendment is substantial, the Client may extend the proposal submission deadline to give the Agency reasonable time to take an amendment into account in their Proposals.

14.1.3 The Agency may submit a modified Proposal or a modification to any part of it at any time prior to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline

15. Preparation of Proposals – Specific Considerations

15.1 While preparing the Proposal, the Agency must give particular attention to the following:

15.1.1 The Client may indicate in the Data Sheet the estimated Key Expert's time input (expressed in person-

month) or the Client's estimated total cost of the assignment, but not both. This estimate is indicative and the Proposal shall be based on the Agency's own estimates for the same.

15.1.2 If stated in the Data Sheet, the Agency shall include in its Proposal at least the same time input (in the same unit as indicated in the Data Sheet) of Key Experts, failing which the Financial Proposal will be adjusted for the purpose of comparison of proposals and decision for award in accordance with the procedure in the Data Sheet.

16. Technical Proposal Format and Content

16.1 The Technical Proposal shall not include any financial information. A Technical Proposal containing material financial information shall be declared non-responsive.

16.1.1 Agency shall not propose alternative Key Experts. Only one CV shall be submitted for each Key Expert position. Failure to comply with this requirement will make the Proposal non-responsive.

16.2 Depending on the nature of the assignment, the Agency is required to submit a Full Technical Proposal as indicated in the Data Sheet and using the Standard Forms provided in Section 3 of the RFP.

17. Financial Proposal

17.1 The Financial Proposal shall be prepared for the period mentioned in the Data Sheet by using the Standard Forms provided in Section 4 of the RFP. It shall list all costs associated with the assignment, including (a) remuneration for Key Experts and Non-Key Experts, (b) reimbursable expenses in INR as indicated in the Data Sheet.

a. Price Adjustment

17.2 For this assignment with a duration exceeding 12 months, a price adjustment provision for foreign and/or local inflation for remuneration rates applies if so stated in the **Data Sheet**.

b. Taxes

17.3 The Agency and its Experts are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the **Data Sheet**. Information on taxes in the Client's country is provided in the **Data Sheet**.

c. Currency of Proposal

17.4 The Agency may express the price for its Services in the currency or currencies as stated in the **Data Sheet**. If indicated in the **Data Sheet**, the portion of the price representing local cost shall be stated in the national currency.

d. Currency of Payment

17.5 Payment under the Contract shall be made in the currency or currencies in which the payment is requested in the Proposal.

C. Submission, Opening and Evaluation

18. Submission, Sealing, and Marking of Proposals

18.1. The Agency shall submit a signed and complete Proposal comprising the documents and forms. The submission can be done by dropping the full proposal in the tender box as prescribed in **Data Sheet**.

18.2. An authorized representative of the Agency shall sign the original submission letters in the required format for both the Technical Proposal and, if applicable, the Financial Proposal shall initial all pages of both. The authorization shall be in the form of a written power of attorney attached to the Technical Proposal.

18.3. Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Proposal.

18.4. The signed Proposal shall be marked "ORIGINAL", and its copies marked "COPY" as appropriate. The number of copies is indicated in the **Data Sheet**. All copies shall be made from the signed original. If there are discrepancies between the original and the copies, the original shall prevail.

An EMD, in the given format, shall be placed in a separate envelope clearly marked "EMD", "**Empanelment of Agency for Imparting of Digital Skilling in Technical Institutes in Odisha for ERP Training**", reference number, name and address of the Agency. Unless the EMD is submitted, the Technical Proposal shall not be considered.

18.5. The original and all the copies of the Technical Proposal shall be placed inside of a sealed envelope clearly marked "Technical Proposal", Selection of an Agency for Development of Vision 2030 and Strategic Roadmap for Skill Development in Odisha", reference number, name and address of the Agency, and with a warning "Do Not Open until [insert the date and the time of the Technical Proposal submission deadline]."

18.6. Similarly, the original Financial Proposal (if required for the applicable selection method) shall be placed inside of a sealed envelope clearly marked "**FINANCIAL PROPOSAL**" followed by the name of the assignment, reference number, name and address of the Agency, and with a warning "**DO NOT OPEN WITH THE TECHNICAL PROPOSAL.**"

18.7. The sealed envelopes containing the EMD, Technical and Financial Proposals shall be placed into one outer envelope and sealed. This outer envelope shall bear the submission address, RFP reference number, the name of the assignment, Agency's name and the address, and shall be clearly marked "DO NOT OPEN BEFORE [insert the time and date of the submission deadline indicated in the Data Sheet]".

18.8. If the envelopes and packages with the Proposal are not sealed and marked as required, the Client will assume no responsibility for the misplacement, loss, or premature opening of the Proposal.

18.9. The Proposal must be sent to the address indicated in the **Data Sheet** and received by the Client no later than the deadline indicated in the **Data Sheet**, or any extension to this deadline. Any Proposal or its modification received by the Client after the deadline shall be declared late and rejected, and promptly returned unopened.

18.10. Late submission of tender shall be out rightly rejected. The client shall not be responsible for any matter whatsoever for postal delay or loss of any documents by accident, theft, natural calamities (act of God).

19. Confidentiality

18.1 From the time the Proposals are opened to the time the Contract is awarded, the Agency should not contact the Client on any matter related to its Technical and/or Financial Proposal. Information relating to the evaluation of Proposals and award recommendations shall not be disclosed to the Agency who submitted the Proposals or to any other party not officially concerned with the process, until the publication of the Contract award information.

18.2 Any attempt by Agency or anyone on behalf of the Agency to influence improperly the Client in the evaluation of the Proposals or Contract award decisions may result in the rejection of its Proposal.

18.3 Notwithstanding the above provisions, from the time of the Proposals' opening to the time of Contract award publication, if an Agency wishes to contact the Client on any matter related to the selection process, it should do so only in writing.

20. Opening of Technical Proposals

20.1. The Client's evaluation committee shall conduct the opening of the EMD and Technical Proposals in the presence of the Agency' authorized representatives who choose to attend (in person, or online if this option is offered in the **Data Sheet**).

The opening date, time and the address are stated in the **Data Sheet**. The envelopes with the Financial Proposal shall remain sealed and shall be securely stored with OSDA until they are opened in accordance with the ITA.

20.2. At the opening of the Technical Proposals the following shall be read out: (i) the name and the country of the Agency; (ii) the presence or absence of a duly sealed envelope with the Financial Proposal; (iii) any modifications to the Proposal submitted prior to proposal submission deadline; and (iv) any other information deemed appropriate or as indicated in the **Data Sheet**.

21. Proposals Evaluation

21.1. Subject to provision of the ITA, the evaluators of the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

21.2. The Agency is not permitted to alter or modify its Proposal in any way after the proposal submission deadline. While evaluating the Proposals, the Client will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals.

22. Evaluation of Technical Proposals

22.1. The Client's evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the **Data Sheet**. Each responsive Proposal will be given a technical score. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP or if it fails to achieve the minimum technical score indicated in the **Data Sheet**.

23. Public Opening of Financial Proposals (for QCBS, FBS, and LCS methods)

23.1 After the technical evaluation is completed, the Client shall notify those Agency whose Proposals were considered non-responsive to the RFP and TOR or did not meet the minimum qualifying technical score (and shall provide information relating to the Agency's overall technical score, as well as scores obtained for each criterion and sub-criterion) that their Financial Proposals will be returned unopened after completing the selection process and Contract signing. The Client shall simultaneously notify in writing those agencies that have achieved the minimum overall technical score and inform them of the date, time and location for the opening of the Financial Proposals. The opening date should allow the agency sufficient time to decide for attending the opening. The Agency's attendance at the opening of the Financial Proposals (in person, or online if such option is indicated in the **Data Sheet**) is optional and is at the Agency's choice.

23.2 The Financial Proposals shall be opened by the Client's evaluation committee in the presence of the representatives of those Agency whose proposals have passed the minimum technical score and who choose to attend. At the opening, the names of the Agency, and the overall technical scores, including the breakdown by criterion, shall be read aloud. The Financial Proposals will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded.

24. Correction of Errors

24.1 Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal.

a. Time-Based Contracts

24.1.1 If a Time-Based contract form is included in the RFP, the Client's evaluation committee will (a) correct any computational or arithmetical errors, and (b) adjust the prices if they fail to reflect all inputs included for the respective activities or items in the Technical Proposal. In case of discrepancy between (i) a partial amount (sub-total) and the total amount, or (ii) between the amount derived by multiplication of unit price with quantity and the total price, or (iii) between words and figures, the former will prevail. In case of discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails and the Client's evaluation committee shall correct the quantification indicated in the Financial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.

b. Lump-Sum Contracts

24.2 If a Lump-Sum contract form is included in the RFP, the Agency is deemed to have included all prices in the Financial Proposal, so neither arithmetical corrections nor price adjustments shall be made. The total price, net of taxes understood as per ITA below, specified in the Financial Proposal (Form FIN-1) shall be considered as the offered price.

25. Taxes

25.1 The Client's evaluation of the Agency's Financial Proposal shall exclude taxes and duties in the Client's country in accordance with the instructions in the **Data Sheet**.

26. Conversion to Single Currency

26.1 For the evaluation purposes, prices shall be converted to a single currency using the selling rates of exchange, source and date indicated in the **Data Sheet**.

27. Combined Quality and Cost Evaluation

a. Quality- and Cost-Based Selection (QCBS)

27.1 In the case of QCBS, the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the **Data Sheet**. The Agency achieving the highest combined technical and financial score will be invited for negotiations.

D. Negotiations and Award

28. Negotiations

28.1 The negotiations will be held at the date and address indicated in the **Data Sheet** with the Agency's representative(s) who must have written power of attorney to negotiate and sign a Contract on behalf of the Agency.

28.2 The Client shall prepare minutes of negotiations that are signed by the Client and the Agency's authorized representative.

a. Availability of Key Experts

28.3 The invited Agency shall confirm the availability of all Key Experts included in the Proposal as a pre-requisite to the negotiations, or, if applicable, a replacement in accordance with ITA.

28.4 Notwithstanding the above, the substitution of Key Experts at the negotiations may be considered if due solely to circumstances outside the reasonable control of and not foreseeable by the Agency, including but not limited to death or medical incapacity. In such case, the Agency shall offer a substitute Key Expert within the period specified in the letter of invitation to negotiate the Contract, who shall have equivalent or better qualifications and experience than the original candidate.

b. Technical Negotiation

28.5 The negotiations include discussions of the Terms of Reference (TORs), the proposed methodology, the Client's inputs, the special conditions of the Contract, and finalizing the "Description of Services" part of the Contract. These discussions shall not substantially alter the original scope of services under the TOR or the terms of the contract, lest the quality of the final product, its price, or the relevance of the initial evaluation be affected.

c. Financial Negotiation

28.6 The negotiation includes the clarification of the Agency's Tax Liability in the Client's country and how it should be reflected in the Contract.

d. Payment in Terms

28.7 Payments shall be released as per the conditions stated in the datasheet

29. Conclusion of Negotiation

29.1. The negotiations are concluded with a review of the finalized draft Contract, which then shall be initiated by the Client and the Agency's authorized representative. If the negotiations fail, the Client shall inform the Agency in writing of all pending issues and disagreements and provide a final opportunity to the Agency to respond. If disagreement persists, the Client shall terminate the negotiations informing the Agency of the reasons for doing so. The Client will invite the next-ranked Agency to negotiate a Contract. Once the Client commences negotiations with the next-ranked Agency, the Client shall not reopen the earlier negotiations.

30. Award of Contract

30.1 After completing the negotiations, the Client shall sign the Contract; publish the award information as per the instructions in the **Data Sheet**

30.2 The Agency is expected to commence the assignment on the date and at the location specified in the **Data Sheet**.

Section 5. Terms of Reference

1. Background

Odisha Skill Development Authority (OSDA), an apex body of Govt of Odisha, since its formation is working relentlessly towards Government of Odisha's highest priority i.e. skill development in the State. Odisha Skill Development Authority (OSDA)'s, primary objective is to guide, implement, coordinate, and oversee all skill development programs in the state. OSDA also ensures quality skill training standards and sustained employability of trained youth, with an objective to provide outstanding skilled workforce comparable to the best in the world. OSDA has been implementing some of the flagship schemes like PMKVY, Chief Minister Employment Generation Scheme (CMEGP) and Placement Linked Training Program (PLTP). Apart from the primary objective of imparting quality skill education to the youth, it has been endeavored by the Authority to also provide better job opportunities to the youth.

Today in this disruptive world technology is deep rooted in everything that we do. The pace at which technology is evolving is extremely fast. For example, what in yesteryears technology used to evolve in a decade is now seen to evolve in less than a year. Keeping that in the mind our institutes like ITI, Polytech, Engineering Colleges, Graduation etc needs to quickly adopt to Industry 4.0 framework so that our Skilled-in-Odisha professionals are made Ready-to-Deploy in the industry.

Keeping all these in mind, OSDA is working out on a plan called DIGITALL (an inclusive program to impart Digital Skilling to Skilled-in-Odisha professionals) This drive will enable Industry, Institutes, Students & Society to work around the conventional way of Learning and adopting Technology to face the Digital Disruption to deliver value across the stakeholders. One of the areas under Digital Skilling is Enterprise Resource Planning (ERP) platforms which has a high demand in many organizations including Government offices. It is observed that ERP is a subject that is part of course curriculum in the institutes. ERP organizations have millions of customers who run their business on solutions provided by these ERP organizations across the world. These organizations are serviced by thousands of SI partners that include big players of the IT industry housing thousands of ERP consultants who help in servicing their broad client base spread globally. ERP organizations since their inception have continuously

been evolving their product line and is also in line with industry 4.0 framework which means ERP trained/ certified professionals or consultants will always be in demand in future as well. In first year OSDA had successfully launched digital skilling in SAP ERP for students of Govt Engineering and Management colleges in a pilot mode. Based on the success of pilot program OSDA envisages to extend the similar digital skilling programs for different ERP platforms that are relevant in the job markets for the fresh graduates of Odisha. OSDA is further willing to extend this partnership to various Private Institutes/Universities to take benefit of this program at their own expenditure and leveraging this partnership between OSDA and the selected empaneled partner.

It may be noted that to bring accountability of the stakeholders in this program including the students a nominal contribution may be considered by Department to bring serious participants in the program.

2. Scope of the Project

The Agency shall be responsible for –

- Providing ERP Education OEM approved licenses for the students of Government Polytechnic Institutes, Government MBA Institutes, Government MCA Institutes and Government Engineering colleges in Odisha for training in ERP
- Empaneled partner is expected to deeply engage with registered institutes for the DIGITALL program from familiarizing the skills to potential career opportunities.
- Impart Digital Skilling in ERP in the following domains as mentioned in course directory of OEM for the topics as mentioned below and as suited to domains to whom these courses are to be imparted i.e; Engineering, MBA, MCA & Polytechnic
 - Sales / Distribution/ Marketing
 - Materials/ Procurement Management
 - Financial/ Cost Accounting
 - Human Resource
 - Technical module/s for Business Application programming for ERP
- Engage OEM Global certified trainer/s of high-quality having industry and academia experience for Training of Trainers (ToT) and specialized sessions for participating

students.

- Facilitate student and teachers' exposure to various OEM conferences including the user conferences.
- Also explore the possibilities of giving hands on experience through hackathons/ideations to enhance the student experience which may potentially lead to employment opportunities.
- Facilitate standard ERP courses and provide course duration details of at least 150-200 hours as specified by OEM
- Design, develop, and implement Continuous Progressive Assessments (CPAs), with one assessment after every 50 hours of learning
- Prepare students for Global certification examination through simulated mock tests and mentoring sessions from OEM certified trainers.
- Provide digital Joint Course Completion Certificate to successful students, enabling them to pursue Global Certification by the OEM
- The agency will fix the fee structure for each course offered and submit to OSDA
- OSDA commits to provide ready-to-use Infrastructure and expects the industry partner to provide the complete model (course structure, offerings, execution methodology, self-sustainability model etc) for holistic advance skill development of the said students.
